ASQ Award for Golf Coaching Assistants Course Terms and Conditions

Deadlines

The deadline for applications is approximately **5 weeks prior** to each course date. Late applications may not be accepted and are at the discretion of the PGA. Deadlines are in place to ensure all pre-course material is distributed to candidates in sufficient time prior to each course and to comply with the assessment process.

Course Confirmation

Your place on a course will be confirmed by email. All written materials, including the ASQ Award for Golf Coaching Assistants Candidate Pack (contains essential information), for this course are located on the PGA's Canvas learning platform. You will receive your Canvas login details **4 weeks prior** to the course for you to complete the recommended reading in preparation for the coaching course.

Cancellations

By the PGA

The PGA reserves the right to cancel a course at any time. If a course is cancelled due to insufficient numbers, all candidates will be advised of the cancellation no later than 4 weeks prior to the event. Candidates will be offered a full refund or transfer onto an alternative course. However, the PGA disclaims any responsibility for costs incurred by the candidate due to the cancellation of travel or accommodation arrangements.

By the Candidate

All cancellations by candidates should be advised to coaching@pga.org.uk as soon as possible prior to a course. Cancellations by the candidate up to 6 weeks prior to the event will incur a 10% administration charge. After this time no refund will be due unless the course is full and the place can be filled from the reserve list. In these circumstances a 10% administration charge will be made. A refund may be made in exceptional circumstances where a candidate cannot attend on the day. In such cases an application must be made in writing to the PGA, accompanied by appropriate evidence such as a doctor's note, proof of flight cancellation etc.

Refunds

All agreed refunds in line with these terms and conditions will be made within 28 days of receipt of confirmation of cancellation, using the original method of payment.

Transfers

Transfer requests must be made in writing and will only be accepted up to 6 weeks prior to the original course booking. All transfer requests will incur a 10% administration charge payable at the time of transfer request.

After such time the booking will be treated as a late cancellation or non-attendance.

Failure to Attend a Course

Failure by a candidate to attend any part of a course without prior notification will result in the candidate being removed from the course with immediate effect and deemed to have failed the course. The PGA will not transfer the booking to another course and no refund will be payable. Should the candidate subsequently wish to attend a course they will be required to re-book for the full course and pay the full cost.

Volunteer Golf Coach Licence

In order to assist others as a volunteer coach you will need to obtain a licence issued by the Professional Golfers' Association. This licence demonstrates to club volunteer co-ordinators, PGA Professional or other relevant individuals that you are appropriately qualified and have completed a number of additional checks (outlined below). Your initial volunteer coach licence is valid for one year and will provide you with public liability insurance cover whilst you assist with coaching activities and inclusion on the SafeGolf register of licensed volunteer coaches in golf (www.safegolf.org).

The Golf Unions of Great Britain and Ireland are committed to the principles of golf coach licensing for volunteers. The PGA operates this licence scheme for coaches.

As candidates have already supplied copies of their valid PVG and CWPS certificates at the time of application, those who are competent on the course will be automatically issued a volunteer coach licence (first licence will be issued free of charge as the cost has been covered through the course fee). Public liability insurance will no longer be valid if the licence has expired, or if either the PVG or Child Wellbeing & Protection in Sport certificate expires (and is not renewed) during the period that the licence is valid for.

Terms and Conditions of Licencing

By completing and returning the volunteer coach licence application form you will agree to the following terms and conditions of licence:

Volunteer Coaches must:

- operate in accordance with the role descriptor of a Level 1 coach:
A volunteer Level 1 coach is qualified to assist more qualified coaches, delivering aspects of coaching sessions to beginners, normally under direct supervision.
- have a valid Child Wellbeing & Protection in Sport certificate, issued within the last 3 years.
- have a valid PVG, linked to the facility where you will be coaching. A PVG is required to be updated every 3 years in line with best practice guidelines.
- abide by the Coaches Code of Practice issued by the PGA within the Level 1 Coaching Home Study Workbook.
- not take payment for coaching activities.
- attend any compulsory CPD courses that arise as a result of legal changes (for example to child protection legislation).

N.B. Contravention of the terms and conditions above will invalidate your insurance and will result in your licence being revoked.

To obtain a PVG check or PVG update, please contact your club Safeguarding Officer. For further information please contact Scottish Golf at safeguarding@scottishgolf.org
