Welcome to the 2024 SkyCaddie PGA Pro-Captain Challenge

Celebrate your club captain's year by joining The PGA for an unforgettable journey in the 2024 SkyCaddie PGA Pro-Captain Challenge.

Serving as a club captain is one of the greatest honours any golfer can achieve and playing as a team on behalf of your club alongside the PGA Professional provides a memory that will last forever. The SkyCaddie PGA Pro-Captain Challenge event creates a special bond between the captain and pro and has been doing so since the tournament's inception in 1993.

This fourball stableford team competition is open to all golf clubs affiliated to their National Golf Union. You can enter one of 10 Regional Finals, played at outstanding venues across the UK and Ireland, with the winning team from each event booking their place in the Grand Final on a course that boasts an impressive pedigree.

Ten teams will enjoy the five-star hospitality experience at PGA National Italy, Argentario Golf & Wellness Resort, part of the prestigious group of PGA branded properties.

This year title sponsor and PGA Partner, SkyCaddie, will be in attendance at all 10 Regional Finals and the Grand Final, where all competitors will be afforded the use of their premium GPS handheld devices during their round, giving yardages to the day's pin positions.

We are looking forward to welcoming teams at the Regional Finals and wish you the best of luck in the competition and for the golfing year ahead.

The course was absolutely fantastic. You have to think your way around it and the sponsors, the hotel, the whole set up is fantastic, you can't fault it at all. I would definitely recommend other club captains to enter this year's SkyCaddie PGA Pro-Captain Challenge.

2. Regional Finals

- (i) The Regional Finals are decided over 18 holes unless conditions require the number of holes to be reduced as per PGA Tournament Regulations.
- (ii) In the event of a tie for the leading places in the Grand Final, this will be decided by a card play-off as follows: most stableford points on the last 9, 6, 3, 1, holes. If a tie still remains the result will be determined by a Match Play hole-by-hole play-off from the better ball scores recorded on the card starting at the first hole of the round.
- (iii) Information for competitors and the draw for starting times will be sent via e-mail to the PGA Professional approximately two weeks prior to the Regional Finals. They will also be available from www.pga.info.

- (iv) The winning pair from each Regional Final will qualify for the Grand Final to be held at PGA National Italy, Argentario Golf & Wellness Resort.
- (v) Clubs may nominate one Regional Final only in which they wish to participate. Entries are limited to 64 teams per Regional Final and entries will be accepted on a first come, first served basis. - (iii) In the event of a tie for first place in the Grand Final, a hole-by-hole stableford play-off will be held, the winning team of which will be Champions. The play-off will commence from hole 1 and continue, playing the holes in order until a winner is determined. If applicable, handicap strokes will apply.
- (iv) For the purpose of the Professional Prize Fund all pairs involved in the play-off other than the champions will be deemed to have tied for second place and prize money will be shared. In the case of amateur prizes any ties for the top three places will be determined firstly by performance in the play-off and if still tied a card play-off.
- (v) Card play-off, if applicable, will operate as follows: most stableford points on the last 18, 9, 6, 3 and 1 holes. If a tie still remains the result will be determined by a Match Play hole-by-hole play-off from the stableford scores recorded on the card starting at the first hole of the final round. If still tied, the same procedure will apply to the round 1 card.
- (vi) In the event of either the Captain or PGA Professional of a winning team at a Regional Final leaving the Club before the Grand Final, or the team being unable to participate in the Grand Final, the team finishing second in the relevant Regional Final will take the team's place.
- (vii) All competitors participating in the Grand Final will be expected to make and pay for their own travel arrangements to the UK departure point, with the exception of those teams qualifying from the Irish & Scottish Regional Finals, who will be expected to make and pay for their own travel arrangements to their respective first departure point.
